Health guarantee: The breeder guarantees that upon purchase, the puppy is in good health and has been immunized and wormed according to the health record provided. If for some reason your puppy is diagnosed with a major health problem and reported in a written statement by a veterinarian (DVM) within 72 hrs. after the puppy has left our facilities, we will replace your puppy. However, any minor conditions that are easily correctable and will go away, are not covered by our replacement policy.

1 Year Genetic Health Warranty: Our goal is to offer genetically healthy puppies. However, if your puppy is diagnosed by a veterinarian (DVM) to have a genetic disorder such as hip or elbow dysplasia (verified by OFA), pathological spinal disorder, luxating patella, or a continuing open fontanel within one year from purchase, we will exchange your puppy for one of equal value. There are, however, no warranties against common sickness or accidents incurred on your part after the puppy is in your possession.

*Due to the varying kinds of food and different environmental conditions the puppies come in contact with, and the fact that all puppies have immune systems that take time to mature, we highly recommend NuVet Plus immune system builder to help them maintain optimal health. We are so confident NuVet Plus will benefit your new puppy, we will extend this guarantee by 12 months. To qualify for this guarantee extension, you must give your new puppy NuVet Plus, using the manufacturer's recommended daily dosage, for the entire guarantee period. Failure to do so makes this guarantee extension null and void. We care about the health of your dog. We highly recommend that you continue to give your pet NuVet Plus beyond the guarantee period, to promote the continuing optimal health for a lifetime.

The Buyer's Responsibility: The buyer agrees to take care of this dog, feeding and housing it properly, maintaining its shots and deworming, and providing physical and emotional care. The buyer will not hold the breeder liable for any billing charges. The buyer also assumes all responsibility for any accidents or injuries caused by the misbehavior of the dog after it is in the owner's possession. The death of said dog due to theft, carelessness, recklessness, abuse, neglect, heat stroke, or accident will not entitle the buyer to any compensation from the breeder. This dog is warranted only for the purpose of being a companion animal, and not for any other purpose or reason, such as breeding or show. *As the breeder of this dog,

we, Albark Kennels, declare that this dog bring honor and glory to God the creator, and help to further the kingdom of God.
